29TH INTERNATIONAL SYMPOSIUM ON VLSI DESIGN AND TEST (VDAT-2025)

VLSI Design and Semiconductor Technology for Next Gen Chips & AI Applications

7 - 9 AUGUST 2025   HOTEL SHIVALIK VIEW, SECTOR-17, CHANDIGARH, INDIA

ABOUT VDAT-2025

Since its inception as a small workshop in 1998, VDAT has grown significantly attaining the status of an international symposium in 2005. It has since become an annual event of great importance for professionals working in VLSI, providing a platform for sharing knowledge and fostering innovation in the field. VDAT-2025 will be jointly organized by Indian Institute of Technology Ropar, Punjab Engineering College, Chandigarh, Chitkara University, Chandigarh University, and Semiconductor Laboratory, Mohali at the hotel Shivalik View, Sector-17, Chandigarh, India from August 07 to August 09, 2025.

CALL FOR SPONSORS

VDAT-2025 presents an excellent opportunity for companies and organizations to contribute as sponsors. This event serves as a crucial platform for professionals in the VLSI design field. It offers a unique opportunity to enhance their presence within the VLSI design community. By sponsoring VDAT-2025, companies can increase their visibility within the VLSI design community, showcase their products and services to a targeted audience, and contribute meaningfully to the advancement of VLSI design and research in India.
